

SECURITY PATROLS

24/7 marked security vehicles equipped with flashing lights, spot lights and GPS tracking technology. Patrolling the Merrimack Valley area for over 41 years. Patrols are a cost effective way to provide protection for your property. All reports are customized to your property & services and will be delivered to you.

INTERIOR Patrols

- Enter building and follow specific patrol procedures
- Check safety of employees or tenants on site
- Check for smoke, fire, leaks, etc.
- Check temperature sensitive labs and areas
- Shut off excess lighting & Turn Alarm System on.

EXTERIOR Patrols

- Check Building and Parking lot lighting
- Hand check all doors & shipping areas
- Record vehicle license plates after hours
- Check for any damage or problems & actions taken
- Report ice/snow conditions to contractors

PARKING LOT Patrols

- Driving the property to check for trespassers, property conditions or damages found, and recording activity.

BUCKLAND SECURITY SERVICES

SECURITY PATROLS GUARDS & ALARM Response

Our fleet of highly visible security vehicles are equipped with flashing lights to show we are on patrol and spot lights to check dark corners and wooded areas. All vehicles have GPS tracking and recording technology so we know where our vehicles are at all times.

ALARM RESPONSE

Your alarm monitoring company contacts us when your alarm is activated. We respond to the site and check all activity to resolve the alarm activation and secure the building, then re-set the alarm panel back to normal. We investigate the cause of the alarm, document all findings then report back to alarm service company and any emergencies to authorized contacts and file a detailed report. We offer quick response times to all Alarm calls.

SECURITY GUARDS

Our professionally trained and uniformed security officers will monitor your property whether stationed at a reception area making hourly tours or from a guard post or security vehicle to make a highly visible security presence. We tailor this service to your companies particular needs. We train our guards according to the procedures you need us to follow.

BUCKLAND SECURITY SERVICES

TOOLS OF THE TRADE

We know what it takes to make our service stand out. We take great care to have the right equipment to supply our staff so we can provide you with the highest standard protective solutions.

We have been in business for over 41 years and it's important to know that besides experience, we offer a staff that is dedicated to their work. Most of our employees have been with us for more than a decade and others have continued to stay with us and make a career in security. Our employees are one of the reasons our service continues to be the best.

Buckland Security can also offer decal stickers for doors or windows as well as warning signs for outdoor posts to prevent trespassing and loitering on your private property.

Pictured Right is an example of an exterior patrol sheet. All patrol sheets are designed to match up the checkpoints during patrols to make identifying problems and patterns easier to recognize.
